## INFORMATION SHEET, SECURITY AND RECOMMENDATION FOR THE USE OF PAPERS

### SECTION XI – ABOUT THE PRODUCT

- Keep items in their original packaging until use
- In the event of partial use, ensure that the product is repackaged after use
- Provide for stock rotation in order to avoid, if possible, a storage period of more than 1 year
- Prefer the storage of "standing" reels (on the edge)
- Ensure the tightness of the packaging
- In the event of significant differences in temperature or humidity (for example, between storage and workshop), moisture recovery cords may form on the top of the reels, they should then be removed before using the paper.
- Keep the identification label (s) until complete use of the items
