

Double outdoor banner

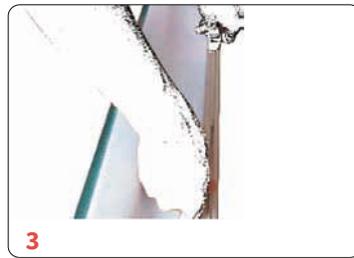

Assemble instructions

Open the graphic holder.

Put the graphic into the graphic holder.

Press the graphic holder tightly.

Set up the end cap on the graphic holder tightly.

Open the end caps on the base.
Tear off the leading paper on the PVC

Stick the graphic on the leading paper.

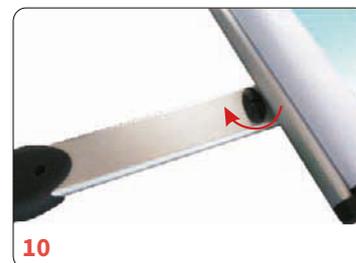

Press the PVC with one hand,
and pull out the lock pin with
another hand.

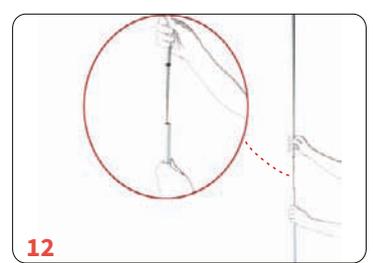

Roll the graphic into the base
smoothly

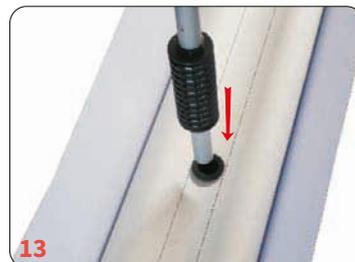

Install the two sliders into the
groove, and make it vertical
alignment with the roll up groove

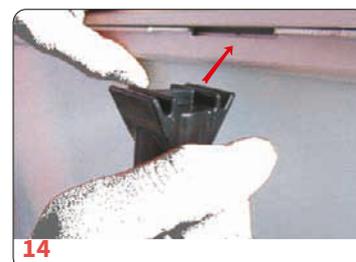

Hold the roll up base, rotate
the locking knob by 90 degree.

Link up the trinodal pole as
a whole pole, like the picture

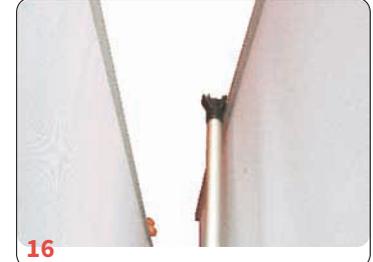

Insert the trinodal pole into
the hole on the base.

Pull up the graphic and put
the graphic holder onto groove
on the top of support pole

Pull the other graphic up.

Insert the other graphic
holder onto the hole as the
same way.
