

51.102N | StrongTouch Supreme

TOTAL MARK | High Tack Removable

NEW!

ABOUT

StrongTouch Supreme is an opaque polymeric vinyl, printable with the full range of printing methods: UV, (eco)solvent and latex inks. This product has a satin white face film and conforms very well to irregular surfaces due to its specially formulated plasticizers. StrongTouch Supreme boasts a very high-performant 50 micron adhesive which will stick to hard to adhere and low energy surfaces while still remaining removable for up to 6 months. StrongTouch Supreme is the most versatile solution for both indoor and outdoor applications.
