Although not required to directly register any of its products with the ECHA, Nekoosa is committed to assisting its customers in their efforts to comply with REACH. To that end, the above listed article does not to our knowledge:

1. Intentionally contain or release substances listed on Candidate List of SVHC (Substances of Very High Concern) or the Authorization list, both as published by the ECHA on its website on the date of this statement.
2. Contain SVHC's that exceed the concentration of 0.1% (w/w) as defined in Annex XIV, Directive 67/548/EEC.

Products manufactured by Nekoosa under the RTape brand meet the requirements and restrictions specified in the Candidate List of SVHC including 247 substances from REACH regulation announced by ECHA effective January 21, 2025.

This confirmation is valid for products up to the time they leave our facility. It does not extend to any changes that may occur to the product during transportation to your facility or modification or alterations that occur after arrival to your facility.

This information is based on reliable supplier information and good manufacturing processes.

If you have any questions or require any additional information, please feel free to contact us at [order@fourbases.eu](mailto:order@fourbases.eu).

Sincerely,
