

Deep Black Bio

A high quality, fast setting Deep Black Bio and is suited for all kinds of absorbing printing substrates.

This Deep black Bio ink can be used on all sheetfed offset machines without any problems with all kind of different damping systems.

Due to the perfect ink/water balance the ink is low misting even on high speed printing. It is **mineral oil** and **cobalt free** and based on renewable raw materials.

Properties:

- **Deep blue-toned Black**
- **High colour intensity**
- **Excellent dot sharpness**
- **Good water stability**
- **Good rub resistance.**
